The Association's financial year starts from the 1st January when membership fees become due. Members joining late in the year (November/December) who are NOT exhibiting at shows for Association patronage's, can have their membership fee credited for the following year.

Members wishing to take this option must by RETURN OF POST forward their receipt together with a S.A.E. to the general secretaries, this will allow adjustments to be made to the Association's records. Failure to do so, it will be assumed that the fee received is for the current year.

Members requiring an immediate return of their receipt are asked to kindly provide a S.A.E. Receipts will normally be returned with the Year Books when available.

Please post and include a cheque or postal order (**Cheques and postal orders should be made payable to I.G.B.A. and in pounds sterling only**) for the appropriate value to;
